STORM CAFE

Water and Coffee Dispenser

STORM CAFE

Water and Coffee Dispenser

The Storm Café, is the latest evolution of the successful Storm family of water coolers. Already known for quick and simple cleaning and sanitization (utilizing the SmartFlo™ reservoir technology), the Storm Café has been updated to include recessed faucets, a new fascia with additional lighting options, a coffee pod brewer, and an updated SmartFlo™. With the looks you want and the features you need, the Storm Café is sure to find a home in any environment.

Features

- Storm cooler – configured with a coffee brewer
- Extremely quiet brewing cycle and dispensing
- Brewer options include 6, 8 or 10 oz cup sizes
- Patented Removable Café Brewer head for ease of cleaning in your dishwasher
- Hot water is maintained at optimum temperature for brewing hot beverages, no waiting required
- SmartFlo™ Water Cartridge – replacing is simple, quick and hygienic
- Quality, commercial-grade construction
- Optional Cup Dispenser available, mounts to the rear of the cooler in seconds
- Integrated cup stand
- UL Certified to NSF372
- ENERGY STAR™ certified
- The unit can be converted to POU/mains fed using a conversion kit
